

SUNDARBAN HOLIDAYS

TOURS & TRAVELS

Let's explore the Sundarban

Assalamualaikum.

Dear,

Sir/Medam

We are more than happy to share "Sundarban" is the largest Mangrove forest in the world. It's situated at south-east side in Bangladesh and the evergreen Sundarban area is 6017 square kilometer. We would like to invite you all to visit Sundarban with your beloved family & friends. We can assure that with us, you will be impressed to explore & experience Sundarban - The home of Royal Bengal Tiger & the World Heritage Site by UNESCO.

We the "Sundarban Holidays Tours & Travels" very renowned, & well reported organization, arranging Sundarban's trips from 2007. We have experience 16 years of tourism business at Sundarban with success & glory. We have our own tourist ships for Sundarban. "THE RIVER CRUISE" is one of them, whose role in revolutionizing Sundarbans tourism industry and making Sundarbans the highest market in domestic market is visible to all. The River Cruise is only one cruise ship in Bangladesh which is the top rated corporate friendly cruise ship in Sundarban and also the pioneer of corporate market. We Operated 1000+ Sundarban Package tour with near about 72,000 National & International tourist. Our lifetime success rate is 93% which is the highest rate in this field. "Sundarban Holidays Tours & Travels" is a leading & trusted name of Tourism Company in the southern area of Bangladesh. Our company vision is to touch the pick of tourism industry by serving our hospitality.
